3) Head of School Report

L. Collins

- General discussion on the HOS report.

4) Survey Results

All

- General discussion on the results. Overall big picture take away -Students all have someone they love (but not all love the same person) , seems like enough balance to the negative and positive to each. That it seems healthy. Parents seem over whelming happy. Overall positive review. Got good feedback on the email sent by HOS checking in with community. Will sit down with each teacher to review the results they received.
